NOTE FOR: ICS Security Officer

25X1

FROM:

Vice Chairman, Critical Intelligence Problems Committee

25X1

SUBJECT:

Memorandum of Justification

1. The CIPC of the IC Staff is charged by the DCI with developing strategies for solving problems with an interagency dimension. To date, many of its subjects have been in the area of national security, including the most sensitive defense related issues. It is expected that the CIPC will continue to deal with topics of this kind.

25X1

2. As the Vice Chairman of the CIPC, I am responsible to the Chairman for the supervision of the staff and the management of its studies. Accordingly, clearance is necessary to enable me to have access to the information necessary for me to meet these responsibilities
